

Conference 2011

Conference under the
patronage of the Polish
National Contact Point for
Research Programmes
of the EU

**Let's Construct Europe's Future
With Innovative Buildings and Infrastructures
*Construction and Societal Challenges***

**Radisson Blu Centrum Hotel - WARSAW
04 / 05 October 2011**

Roadmapping Workshop

Chairmen:

Patrice Millet

European Commission

Stefano Carosio

D'Appolonia S.p.A./E2BA

Workshop Layout

- **Objectives**

- Present the results of a running exercise in E2BA
- Obtain your feedbacks/inputs at an early stage of this open process

- **Topics**

- Updating the E2BA Vision
- Insights on drivers, scenarios and roadmaps from running projects: **Revisite**, **ICT4E2B Forum** and **Building Up**
- Long term E2BA Roadmap, targeting 2020 and beyond

- **Open Discussion** to gather your valuable contributions

Open Discussion

- Your inputs through the three coloured papers will be collected during the presentations
- They will be used by the chairmen to trigger discussion
- Name and email are optional, useful for further processing

Write 3 Keywords you think should be present in the updated **E2BA vision**

Which criteria (potential for new jobs, reduction of GHG emissions, reduction of energy bill, total cost of ownership, ...) should be considered **to prioritize future R&D challenges?**

Should **future research** concentrate more on reduction of energy use in existing buildings rather than on energy neutral and positive (new) buildings?
